Notes on boating and start order

1. This year we will again boat the crews in the order they will race (rather than last-in, first-out) to even out the amount of time crews wait at the start.

For this reason, later crews will be rowing past earlier crews, who will be pulled in to the side: this may require careful navigation in places.

2. We need to get upwards of sixty crews on the water in forty minutes. Before heading towards the landing stage would all crews and coaches please ensure:
 - The boat is fully ready to race: stretchers adjusted, cox amplifier tested, and so on.
 - The crew has everything with them they need: seat pads, water, spare clothing, ...
 - The blades are already resting on the hedge beside the landing stage, ready for instant access.

Changes since previous versions of the draw	
V1.2	Crew 156 (QPHS) now goes in W.J15.4x+ SC in division 3. The women's eights in division 4 will be re-sequenced
V2.0	Crews 156, 105, 114 reordered
	Crew 181 added
